PREFERRED

In some cases, a preference, not full endorsement, may be granted a candidate who holds positions not endorsed by the CRTL-PAC, in the belief that the candidate will better further pro-life principles over his/her opponent.

U.S. Senate - Rob Portman

The CRTL-PAC does not endorse Senator Portman's opposition to the union of one man and one woman as the only definition of marriage that should be legally recognized at all levels of government.
